OUR COMMUNITY COMMITMENT

In 2025 Kedron Lions was awarded the AFLQ Toyota Community Club of the Year across both the Junior and Senior clubs. In 2024, we won Alpha Sport Community Club and President Glenn Noy was awarded the AFLQ Toyota Community Volunteer of the Year at the AFL National Volunteer Awards. Lachlan Gray was awarded the Queensland Toyota Young Leader of the Year. In addition, James O’Gorman was awarded Queensland’s 2024 Tackle your Feelings Community Champion. These awards are external recognition of what the club is trying to achieve, in addition to on-field success.

“We are not building a community to support a football club, we’re building a football club to support the community,” is the club’s mission statement.

As a not-for-profit organisation sponsoring us will positively reflect on your business profile and contributions are tax deductible. All sponsorship funds go directly back into the club to improve the grounds, facilities, programs and community outcomes. Sponsorship increases exposure and demonstrates commitment:

- **To Engage the Future Generation of Youth**
- **To Build Better and Safer Communities**
- **To Increase Inclusive Sport and Recreation Participation**
- **Provide a Family Friendly Fun Environment**

Any form of contribution is welcome - from volunteering to sponsorships/partnerships. If you decide to generously support Kedron Lions please contact marketing@kedronlions.com.au

In the spirit of our community commitment, Kedron Lions Juniors donated some preloved Kedron Lion’s jerseys and second hand boots to Vanuatu to enrich their local community and youth. Go team Lions Vanuatu (below)!

FUTURE DEVELOPMENTS

In 2025, we continued to experience significant growth in player registrations across all demographics. We renovated our sports bar to create a more modern and welcoming environment where our community can come together. We continue to have a strong marketing and social media presence to engage with our community. In 2026 we expect to experience further growth. The Senior Mens’, Womens’ and youth teams have high expectations to make finals. The pathways transitioning players from junior through youth to senior football have never been stronger.

With the help of sponsors and volunteers we continually strive to improve the club to reflect the growing number of registrations and strategic direction. Our future proposed projects include; women’s change rooms, sun-safe grandstand, match day box, nets behind the goals and further facility improvements.

HISTORY

Kedron Lions takes pride in its history and core values. Steeped in history dating back to 1937, Kedron Lions is one of AFL’s oldest clubs. The clubs formation was the result of an amalgamation between Kedron and Woolloowin Past Pupil’s Associations and are still to this day affectionately knowns as the ‘Regleggers’.

Red Legger, Erwin Dornau (below), was the first Queenslander to play in the AFL/VFL, making his debut in 1948. He was a local Windsor State Primary School student and at just 13 years of age was selected to represent QLD interstate.

The sports ground is named after E K (Ted) Anderson, who helped build the family club, pictured in the 1950 team (below, front center) with his son seated at his feet holding the football. With a rich history of success, Kedron Lions have won multiple premierships across all competitions and proudly produced many champion representative players, including six Grogan Medallists and ten AFL Queensland Hall of Fame players.
